

Dumfries Police Department

Neighborhood and Business Community Liaisons

The Town of Dumfries has been divided into five areas for the purpose of assigning Police Officers who will serve as a Neighborhood and Business Community Liaison for each designated area. A Police Officer will also be assigned to each established Home Owners Association as well. The purpose of the Neighborhood and Business Community Liaison Officer is to serve as the primary contact for citizens and business owners who are located within a specified area to contact when they have general questions, concerns, or issues that are related to law enforcement.

If a citizen or business owner is not certain in which area their home or business is located, they should contact the Dumfries Police Department at (703) 221-1111 to speak with someone for assistance.

Citizens and business owners should still contact 9-1-1 in cases where there is an emergency; and dispatch at (703) 792-6500 to file a report.
